Duplex LPS Series System with alternating float switch

QUALITY

EXPERIENCE

VALUE

BFS Industries is recognized as the most **trusted** name for boiler room equipment. This trust was earned by sixty years of engineering excellence and "good old-fashioned pride" in our products. We encourage comparison of our "LP" Series, FEED-PAC systems with all others and are confident your choice will be **BFS Industries—The Boiler Feed People**.

Optional Equipment

Pump Isolation Valve

Y Type Tank Inlet Strainer

Basket Type Tank Inlet Strainer

Magnetic Starter Panel

System Control Center
